

WHAT IS THE FOUNDATION CENTER?

The Foundation Center is a nonprofit organization that gathers and disseminates information on foundations and corporate funding with a network of regional and local resource collections.

Poudre River Public Library District is a member of the Foundation Center's Funding Information Network and maintains resources on foundation, corporate and government funding, nonprofit fundraising, grantsmanship, proposal writing and nonprofit management.

The Poudre Library District's Foundation Center Funding Information Network collection is open to the public during regular library hours at the Harmony and Old Town Libraries. The Center does not give grants, write grants, or perform grant research. It is an information resource.

The Poudre Libraries offer classes and one-on-ones on how to use these resources. Please call (970) 221-6740 for more information
